Correction to article “Evaluation of Acute Toxicity and Early Clinical Outcome in Head and Neck Cancers Treated With Conventional Radiotherapy and Simultaneous Integrated Boost Arc Radiotherapy”, by Amit Bahl et al, published in Vol. 8, No. 4, 2017, p117-121, doi: <http://dx.doi.org/10.14740/wjon1049w>. The authors of this article would like to make the following corrections:

In Abstract, the results section, “The median disease-free survival (median \pm standard error) was 16 months (11 ± 1.987 months) in the conventional and arc groups ($P = 0.073$)” should

read “The median disease-free survival (median \pm standard error) was 16 ± 0.00 months and 11 ± 1.987 months in the arc and conventional group, respectively ($p = 0.073$)”.

In the third paragraph of Results section, “The median disease-free survival (median \pm standard error (SE)) was 16 ± 0.00 and 11 ± 1.987 months, respectively (Fig. 1) in the conventional and arc groups ($P = 0.073$)” should read “The median disease-free survival (median \pm standard error (SE)) was 16 ± 0.00 months and 11 ± 1.987 months (Fig.1) in the arc and conventional group, respectively ($p = 0.073$)”.
